Objective

I am looking for an opportunity to apply and grow my skills as a web developer. I would like to learn technologies more in depth and expand my development abilities.

Skills

Full stack web applications, database creation and queries, designing and executing user interfaces, API development, Git, GitHub, BitBucket, Test Driven Development, Agile development, MVC framework, MVVM framework

LANGUAGES AND FRAMEWORKS:

Ruby on Rails, Angular 2, Node.js, Express, TypeScript, JavaScript, jQuery, SQL, Active Record, Ajax, HTML5, CSS3, Sass, Bootstrap, Foundation, Bourbon

DATABASES:

MongoDB, NoSQL, SQLite3, PostgreSQL

Experience

MEAN DEVELOPER, EMPLOYUS; RALEIGH, NC — JANUARY – APRIL 2016

As the sole Angular 2 developer, I used TypeScript to build a client facing web portal. I wrote unique API endpoints for admin access to the production server with Express and Node.js to query the MongoDB database. I altered models and controllers on the server to address the admin management needs as well as the mobile SaaS app users' needs.

ARTTRACK WEB APPLICATION, THE IRON YARD; DURHAM, NC — AUGUST – NOVEMBER 2015

I worked in a group of three developers to build a Ruby on Rails web app with data persistence using SQL that we deployed to Heroku. As primarily Rails developers, we all contributed to the back end and front end aspects, including HTML5, CSS3, JavaScript, jQuery, and Bourbon.

FREELANCE ARTIST, SELF EMPLOYED; DURHAM, NC — 2012–2015

Adobe Photoshop, Illustrator, and InDesign for web design, graphic design, social media marketing, creative drawing and painting digitally and traditionally.

Education

THE IRON YARD, DURHAM, NC — AUGUST – NOVEMBER 2015

Completed intensive Ruby on Rails program centered around creating deployment-ready web apps with a focus on collaboration with other developers. I devoted 60-80 hours a week learning the core skills of back end web development, as well as some front end skills.

EAST CAROLINA UNIVERSITY, GREENVILLE, NC – BFA 2012

Bachelor of Fine Arts with a Concentration in Painting & Drawing with a Minor in Biology.
